

THE BUTCHER'S POUR

January 2024

Happy New Year!!!

New year and maybe some new grapes! Many... if not all of y'all have definitely had riesling, but we are excited to introduce Heron Hill from New York. They have been dedicated to an excellence in winemaking in the Finger Lakes region since 1977.

Cafe de Paris Brut Rose

Colombard and Sauvignon Blanc with a splash of Cabernet and Gamay for fruit and color

Tasting Notes: Beautiful rose petal color with a light nose of strawberry, raspberry, and sweet pears. The wine is thirst quenching with fleshy grapefruit, hints of lime and soft florals.

Heron Hill Riesling Classic Dry... 2022

100% Riesling

Tasting Notes: Great purity, refinement, and potential longevity. Medium aromatic intensity with lemon, lime, green apple, flint, and grapefruit. Tremendous acidity. Pairs perfectly with a roasted pork loin

Heron Hill Blaufrankisch... 2021

100% Blaufrankisch

Tasting Notes: Medium dark ruby colored wine with abundant aromatics of sour cherry, cracked black pepper, red currant, and pomegranate. Great acidity, balancing tannins, red fruit, and floral notes leading to a long finish.

**Blaufränkisch: originating from Austria these grapes produce wines boasting rich black fruits contrasted by peppery flavors and boisterous acidity.*

Giustini Vecchio Sogno Negroamaro... 2021

100% Negroamaro

Tasting Notes: Vecchio Sogno translates to "An Old Dream"

Hints of red fruits with pleasant spicy notes to pair perfectly with robust and braised dishes.

**Negroamaro: red grape variety that grows in abundance in Puglia*
