

## **The Butcher's Pour**

**March 2025**

*Curated with Angela Jackson, Well Crafted Wine & Beverage*

### ***Conde Valdemar White Tempranillo (2023)***

Hand-picked grapes in the morning in boxes. Fermented and aged on the lees in stainless steel tanks. Straw yellow color with greenish tones. Clean and bright. Intense notes of tropical fruits, pineapple, melon, and white fruits as well as orange blossom and almond flowers. Creamy entry in mouth, smooth and balanced. Pair with appetizers, creamy cheese, fried calamari, carpaccio, sushi, or ceviche. Pairs well with any chicken or seafood dishes, risotto, or pastas.

### ***Conde Valdemar Rose (2023)***

This rose is distinguished by its delicate pale rose tone, illuminated by bright reflections. It exhibits an elegant aroma where notes of fine flowers, rose water, and a selection of fresh fruits including wild strawberry and raspberry shine. On the palate, it offers a subtle entry and an exceptionally smooth mouthfeel, with floral reminiscences and a hint of spice. It finished with a fresh and silky aftertaste. Pair with smoked fish, soups, creams, and salads. It also pairs well with Mediterranean cuisine such as rice and pasta dishes.

### ***Conde Valdemar Crianza (2019)***

On the nose it displays an intense aroma of black fruits (plum and blackberry), well-integrated with hints of oak and notes of sweet spices. Tasty on the palate, with a smooth, pleasant and fresh entry. It has a long and persistent finish with touches of black fruit, spices and licorice. A perfect wine to enjoy during a barbecue with beef short ribs and other braised beef dishes. Pair it with pizza, a selection of cheeses or typical Italian cuisine such as risotto or pasta.

### ***Valdemoreda Tempranillo (2022)***

Garnet-red color with purple hues, clear and bright. Complex ripe fruit aromas, well integrated with subtle spicy hints of vanilla and caramel. Round and well balanced with a smooth, yet long finish. Pair with charcuterie, cheese, grilled vegetables, smoked meats, and pasta dishes.
